

DOESN'T LIKE STYLE OF NEW YORK'S HATS; SMASHES 14 OF 'EM

Pittsburgh "Steel Man" Settles
for Rampage in Store and
Friends Get Him.

When a Pittsburgh millionaire's ebullient spirit overtook him, he just had to smash himself, and the corpulent, well-dressed gentleman who took a train early today for the Smoky City didn't mind the cost, thus living up to tradition.

Policeman Manley ran towards a crowd at Twenty-eighth street and Broadway last night just as a hatless man came up passing for help.

"Give the store," he gasped. "Man, smash it out!"

The policeman found a big fellow having the time of his life exterminating hats. Whether he had decided to many New Yorkers have ignored the injunction this year against wearing straw before June he did not say.

But with fist and cane he was threatening blithely about demolishing a hat at every thresh.

While Manley was quieting the stranger, the clerk gathered up the remains of fourteen hats, mostly straw, though a few derbies had also fallen to the onslaught.

"Well, what's the damage?" asked the money one.

"Two plunks apiece—\$2 in all," computed the clerk.

"Here's the musama, keep the change," solemnly replied the man, peeling a twenty and a ten from a roll that spectators estimated to be about \$2,000—mere "chickie feed" to a Pittsburgh magnate.

About this time a friend came up and led the "fat party" to the Imperial Hotel, and soon five men left for the Pennsylvania station. They told the policeman the hat smasher was "a Pittsburgh steel man," but didn't think to mention his name.

FOR ATTEMPTED EXTORTION.

Magistrate Cornell Holds Men Who
Falsely Used World's Name.

Harry Stern and Charles A. Smith were held for the Grand Jury by Magistrate Cornell in the charge of attempted extortion preferred by David Esacson, proprietor of the Kalos Manufacturing Company.

The only witness other than Esacson was Detective Howards of the District-Attorney's office, who identified several letters written by Esacson to Stern, which were found in Smith's apartment at the time of his arrest.

Esacson told how the accused had pressed their demand for \$2,000 to prevent an attack on his business in The World and of his co-operation with The World and the District-Attorney in trapping them.

HAPPY, LAUGHING CHILD SHORTLY.

If Cross, Feverish, Bilious
and Sick, Let "Syrup of
Figs" Clean Its Little
Waste-Clogged Bowels.

No matter what ails your child, a gentle, thorough laxative should always be the first treatment given.

If your child isn't feeling well, resting nicely, eating regularly and acting naturally it is a sure sign that its little stomach, liver and bowels are filled with foul, constipated waste matter and need a gentle, thorough cleansing at once.

When cross, irritable, feverish, stomach sour, breath bad or your little one has stomach-aches, diarrhoea, sore throat, full of cold, tongue coated, give a teaspoonful of Syrup of Figs, and in a few hours all the clogged up waste, undigested food and sour bile will gently move on and out of its little bowels without nausea, griping or weakness, and you will surely have a well, happy and smiling child again shortly.

With Syrup of Figs you are not drugging your children, being composed entirely of luscious figs, senna and aromatics, it cannot be harmful—besides, they dearly love its delicious fig taste.

Mothers should always keep Syrup of Figs handy. It is the only stomach, liver and bowel cleanser and regulator needed—a little given to-day will save a sick child to-morrow.

Full directions for children of all ages and for grown-ups plainly printed on the package.

Ask your druggist for the full name, "Syrup of Figs and Elixir of Senna," prepared by the California Fig Syrup Co. This is the delicious tasting, genuine old reliable. Refuse anything else offered.

The Gimbel Golf Tournament
Is the Most-Talked-About
Sporting Event in Town

All day yesterday the enthusiastic golfers filled the Gimbel course. Alex. Smith and Jack Jolly went after record scores, but found the hazards too puzzling and they wouldn't turn in any official figures. All who played were enthusiastic about the wonderful discovery of an indoor golf course that supplies really good, true golf.

All amateur golfers are eligible.

One qualifying round may be played each day—best card.

Sixteen men and sixteen women will qualify for the Finals, which will be played next Wednesday.

You can enter when you come to play. We'll tell you all about it when you come.
